Saturday April 27th 8:30 am – 5:30pm. Step by Step Work Shop

Saturday's workshop will introduce the new Three Day Rector's Manual entitled "Step by Step." The workshop will review the manual and allow considerable time for discussion and Q & A. This manual is an exciting new resource. The direct connection to Eduardo Bonnin Aguilo and the Cursillo Charism will be a blessing to all of our communities.

All Cursillistas are invited to this and every Regional Encounter. Lay Directors, Secretariat members and School of Leaders participants are encouraged to attend this special encounter. Plan on attending the entire Encounter. Arriving Friday evening will give us the opportunity for fellowship, Ultreya and to conduct our Regional Secretariat meeting.

The workshop will be presented by members of the Regional Service Team and Jim Santos, former Region 1 Coordinator, member of the National Step by Step Workshop Committee and Treasurer of the NACG. (Cursillo - North American Caribbean Group)
